### FEED-A-FAMILY FOR FIFTY PROGRAM

**November 20, 2015**—Darmann is focused on helping others and prides itself by giving back to the community. Through our Darmann Charitable Committee, committee members designate monetary donations to local community services that support individuals that would otherwise go without. Each year Darmann donates 1% of profit to local communities.

*“This year WHEAT Community Connections hosted their fourth annual “Feed-a-Family for Fifty” program. A \$50 donation provided a turkey and all the trimmings for a family of four in need this holiday season. The program’s major donor this year was Darmann Abrasive Products.” Donna Rockel*

Darmann Abrasive Products, Inc. designs, manufactures and markets fine grit, bonded abrasive products for superfinishing, precision grinding, honing and dressing applications. We provide superior engineered, customized products and responsive customer support.
